

All Green Recycling

Please join us at an

# ELECTRONICS RECYCLING EVENT

**Hosted By: City of Locust**

**Where: Parking Lot Across from the Government Center**

**When: Thursday October 11, 2018 @ 2pm-5pm**

## SECURE DATA DESTRUCTION

One of the most critical operations All-Green Recycling performs is secure destruction of data storage devices. We ensure your peace of mind by responsibly disposing of items brought in from home or collected from offices that could contain sensitive information. All hard drives are removed and shred at our secure facility.
