Police

The April police report was handed out for information. Last year one of the police cars was totaled in a wreck. We were trying to get it replaced. It was promised to us in February 2020. We never received it, and finally was told the car has not even been made yet, due to the COVID-19. We have been looking for another police car. We found two Police Interceptor at Ford of Murfreesboro. Due to these cars are hard to find, James Griffin is asking the board to consider going ahead and purchasing this second car with the money that has been put into the budget. During these trying times we are uncertain as to when we would be able to get another car.

James Griffin introduced newest police officer Timothy Shelton to the board. He is doing very well in his training. He will be released in June to be on his own.
