That the amount of the cost of repairs, alterations or improvements, or vacating and closing, or removal or demolition by the housing inspector shall be a lien against the real property upon which the cost was incurred, which lien shall be filed, have the same priority, and be collected as the lien for special assessment provided in N.C. 160A Article 10. If the dwelling is removed or demolished by the housing inspector, he shall sell the materials of the dwelling, and any personal property, fixtures or appurtenances found in or attached to the dwelling, and shall credit the proceeds of the sale against the cost of the removal or demolition and any balance remaining shall be deposited in the superior court by the housing inspector, shall be secured in a manner directed by the court, and shall be disbursed by the court to the persons found to be entitled thereto by final order or decree of the court. Nothing in this section shall be construed to impair or limit in any way the power of the Municipality to define and declare nuisances and to cause their removal or abatement by summary proceedings, or otherwise.
- ii. If any occupant fails to comply with an order to vacate a dwelling, the housing inspector may file a civil action in the name of the Municipality to remove such occupant. The action to vacate the dwelling shall be in the nature of summary ejectment and shall be commenced by filing a complaint naming as parties-defendant any person occupying such dwelling. The clerk of superior court shall issue a summons requiring the defendant to appear before a magistrate at a certain time, date and place not to exceed 10 days from the issuance of the summons to answer the complaint. The summons and complaint shall be served as provided in G.S. 42-29. The summons shall be returned according to its tenor, and if on its return it appears to have been duly served, and if at the hearing the housing inspector produces a certified copy of an ordinance adopted by the Stanfield Board of Commissioners pursuant to subdivision (4) authorizing the officer to proceed to vacate the occupied dwelling, the magistrate shall enter judgment ordering that the premises be vacated and that all persons be removed. The judgment ordering that the dwelling be vacated shall be enforced in the same manner as the judgment for summary ejectment entered under G.S. 42-30. An appeal from any judgment entered hereunder by the magistrate may be taken as provided in G.S. 7A-228, and the execution of such judgment may be stayed as provided in G.S. 7A-227. An action to remove an occupant of a dwelling who is a tenant of the owner may not be in the nature of a summary ejectment proceeding pursuant to this paragraph unless such occupant was served with notice at least 30 days before the filing of the summary ejectment proceeding that the Stanfield Board of Commissioners ordered the housing inspector to proceed to

exercise his duties under subdivisions (3) and (4) of this section to vacate and close or remove and demolish the dwelling.

- iii. That whenever a determination is made pursuant to subdivision (2) of this section that a dwelling must be vacated and closed, or removed or demolished, under the provisions of this section, notice of the order shall be given by first-class mail to any organization involved in providing or restoring dwellings for affordable housing that has filed a written request for such notices. A minimum period of 45 days from the mailing of such notice shall be given before removal or demolition by action of the housing inspector, to allow the opportunity for any organization to negotiate with the owner to make repairs, lease, or purchase the property for the purpose of providing affordable housing. The housing inspector or clerk shall certify the mailing of the notices, and the certification shall be conclusive in the absence of fraud. Only an organization that has filed a written request for such notices may raise the issue of failure to mail such notices, and the sole remedy shall be an order requiring the housing inspector to wait 45 days before causing removal or demolition.

Section 17 Methods of Service of Complaints and Orders

Complaints or orders issued by the Inspector shall be served upon persons either personally or by registered or certified mail. When service is made by registered or certified mail, a copy of the complaint or order may also be sent by regular mail. Service shall be deemed sufficient if the certified mail is unclaimed or refused, but the regular mail is not returned by the post office within ten (10) days after mailing. If regular mail is used, a notice of the pending proceedings shall be posted in a conspicuous place on the premises affected. If the identities of any owners or the whereabouts of persons are unknown and cannot be ascertained by the Inspector in the exercise of reasonable diligence, or, if the owners are known but have refused to accept service by certified mail, the Inspector shall make an affidavit to that effect, then the serving of the complaint or order upon the owners or other persons may be made by publication in a newspaper having general circulation in Stanly County at least once no later than the time at which personal service would be required under the ordinance. Where service is made by publication, a notice of the pending proceedings shall be posted in a conspicuous place on the premises affected by the complaint or order.

Section 18 Appeals from Orders of the Inspector

An appeal from any decision or order of the Inspector may be taken by any person aggrieved thereby or by any officer, board or commission of the Municipality. Any appeal from the Inspector shall be taken within ten (10) days from the rendering of the decision or service of the

order, by filing with the Inspector and with the Housing Board a notice of appeal which shall specify the grounds upon which the appeal is based. Upon the filing of any notice of appeal, the Inspector shall forthwith transmit to the Board all the papers constituting the record from which the appealed decision was made. When the appeal is from a decision of the Inspector refusing to allow the person aggrieved thereby to do any act, his decision shall remain in force until modified or reversed. When an appeal is from a decision of the Inspector requiring the person aggrieved to do any act, the appeal shall have the effect of suspending the requirement until the hearing by the Housing Board, unless the Inspector certifies to the Board, after the notice of appeal is filed with him that the reason of the facts stated in the certification, a copy of which shall be furnished to the person who is appealing, a suspension of his requirement would cause imminent peril to life or property, in which case the requirement shall not be suspended except by restraining order, for due cause shown upon not less than one (1) day written notice to the Inspector, by the Board, or by a court of record upon petition made pursuant to G.S. 160A-446(5).

The Housing Board shall fix a reasonable time for the hearing of all appeals, shall give due notice to all parties, and shall render its decision within reasonable time. Any party may appear in person, by agent, or attorney. The Board may reverse or affirm, wholly, partly, or may modify the decision or order appealed from, and may make such decision and order as in its opinion ought to be made in the matter, and to this end shall have all the powers of the Inspector. The concurring vote of four members of the Board shall be necessary to reverse or modify any decision or order of the Inspector. The Board shall have power also in passing upon appeals, in the case where there are practical difficulties or unnecessary hardships in a way of carrying out the strict letter of the ordinance, to adapt the application of the ordinance to the necessities of the case to the end that the spirit of the ordinance shall be observed, public safety and welfare secured, and substantial justice done.

Every decision of the Housing Board shall be subject to review by the proceedings in the nature of certiorari instituted within fifteen (15) days of the decision of the Board, but not otherwise.

Petition to Superior Court by Owner – Any person aggrieved by an order by the Inspector or a decision rendered by the Housing Board shall have the right, within thirty (30) working days after issuance of the order or rendering of the decision, to petition the Superior Court for an injunction restraining the Inspector from carrying out the order or decision and the court may, upon such petition, issue a temporary injunction restraining the Inspector pending a final disposition of the cause, as provided by G.S. 160A-446.
