Public Comment

Don Judge – He would like the town to continue to allow residents to take limbs, bushes, brush, etc. to the burn pile at the Public Works Bldg. He states that the trip to Albemarle Landfill will be expensive, and he has 75+ bushes to trim.

Dave Reynolds – He spoke on the same subject as Mr. Judge. He asked if the number of Public Works employees has changed since last year when the burn pile was manageable.

Rob Lloyd – He would also like to see the town offer more limb pickups and opportunities to take limbs to the burn pile.

Dustin Lisk – He commented that he is pleased that issues usually get resolved eventually.

Jerry explained that tending the fire to burn all material that has been dropped off, has become unmanageable due to several reasons; improper materials being dropped off, such as whole tree trunks, large stumps, mulch; added responsibility to our three Public Works employees like more mowing and additional water and sewer customers. Mayor Barbee stated that, up to this point, the Town of Stanfield has been able to pay garbage and recycle costs without adding an extra fee to residents; so, in considering adding other services, such as additional limb pickups or leaf pickups, additional fees would also have to be considered. The Board said consideration will be given to the possibility of advertising a limb burn twice a year, but all details must be worked out and planned in advance.

Public Comment period closed.

James made a motion to adjourn at 7:43pm. All were in favor. Motion carried.
